

AGENDA
Core Group Meeting- Idaho State Resource Strategy
December 17, 2009
0900-1530 Pacific Time

Video Conference Locations:
Fernan Ranger District, Coeur d'Alene
NIFC, Boise

Purpose of Meeting: Continue development of an Idaho State Resource Strategy.

Meeting Objectives:

- (1) Discuss and agree on process and timeline to complete Resource Strategy.
- (2) Identify Priority Areas (preliminary)- the most critical landscapes and urban areas to focus on in developing the Resource Strategy (based on issues identified in the SAFR).
 - Develop criteria & use SAFR Final Map to identify Priority Areas.
- (3) Identify statewide goals and strategies to respond to issues identified in the SAFR.
 - These are goals and general strategies that can apply to all or most Priority Areas. In future meetings we'll develop goals and strategies specific to each Priority Area.
- (4) Identify work needed prior to next meeting (1/28).
